YOUR ENTERTAINMENT AREA

BenQ EX3200R 31.5" Curved Monitor

BenQ EX3200R 31.5 inch Curved Entertainment Monitor, designed to have a curvature of 1800R to increase your field of view, matched with Cinema Mode and Video Format support, movie enthusiasts can enjoy a more cinematic experience.

Because it matters

BenQ EX3200R Curved Monitor

1800R Ultra Curve Unforgettable Immersive Experience

Featuring an 1800R curvature, the EX3200R takes viewing to cinematic heights, wrapping your range of vision with lifelike action, creating the perfect immersive entertainment experience for the movie enthusiast.

144Hz High Refresh Rate

Don't miss out on the details of fast-moving action. Enjoy movies play seamlessly with EX3200R's high refresh rate of 144 Hz.

Cinema Mode

Recreate the dynamics of a cinema in the comfort of your home. Cinema Mode automatically fine-tunes the color settings in video footage, delivering vibrant, lifelike visuals on the screen.

Video Format Support

With Video Format Support (1080/24P, 25P, 30P Playback Support), videos can be displayed at the correct cadence, without the need for pulldowns which distort playback of the source video.

Flicker-Free & Low Blue Light

BenQ Low Blue Light Technology is designed to filter out harmful blue light, effectively diminishing eye fatigue and irritation.

BenQ's Flicker-free technology eliminates flickering at all brightness levels for a comfortable viewing experience.
