

# Google Jamboard for K-12 Education

Jamboard brings the timeless form factor of the whiteboard to the cloud. Elevate collaborative education, whether you're working together in a group seminar setting or looking to make distance learning more engaging.

- 55" 4K UHD display**
- 16 simultaneous touch points**
- Handwriting + shape recognition**
- 2 x Fine tip passive stylus**
- Built in wide angle camera**

**Visible, accessible learning**  
Google Jamboard is an engaging, natural feeling interactive canvas for students to express themselves at school.

**Make real world connections**  
Bring a whole world of web into brainstorm with Google Search or invite outside contributors and experts to coauthor work with students using the free Jamboard app

**Portable and quick setup**  
It's easy to move between classrooms or study spaces, with just a single cable for power. Everything else is wireless, so you can start jamming right away.
