- Quick Start Guide

DuoBoard
By combining two DuoBoards together, users can extend their collaborations space, fostering teamwork and stimulating innovation.

OPS Module
The Optional Open Pluggable Specification offers the flexibility of supporting different videoconferencing solutions.

AMS System
DuoBoard supports multi-account management through NFC technology, which allows users to manage their personalized workspace without using a password.

Videoconferencing
Fully compatible with apps to make online meetings simple. With a one-click-to-start interface, you can host a high quality video conference by connecting various devices.

Germ-Resistant Screen
Multilayer coating of non-toxic, long lasting ionic silver nano agent kills most bacteria on contact, effectively blocking the spread of germs.

Flexible Annotation
EZWrite 5 streamlines discussions by letting users share notes and ideas from anywhere.
