Pantone Validated
World's first Digital Signage with completely accurate color presentation. Feel confident knowing that when you present your work, it displays as you intended.

Stunning 4K UHD Display
The best picture quality available with four times more information than a 1080p full HD display, enhancing your productivity and efficiency.

PID Panel
Meets the demands of an always-on workforce with 50,000 hours of screen time.

5 Different Sizes
No matter the size of your meeting room, office, or huddle space, our SL Series line up has you covered.

Screen Orientation
Easily display information using either landscape or portrait mode.

Video Conferencing
Hangouts Meet Hardware compatible for an enhanced video conferencing experience.
