

Driver-Free 4K UHD
Wireless Conferencing System

InstaShow® VS25

VS25 enables instant plug-and-play wireless conferencing—no apps, drivers, or network setup required. Presenters—even guests—can access video conferencing cameras and audio to enable instant collaboration with a tap.

No Driver Needed

No drivers needed—just plug in and join online meeting instantly.

*Supports Windows, macOS, Linux, or ChromeOS systems.

No App Download Required

No software or app required—just plug in and instantly share content during your meeting.

No Network Setup Required

No complex network setup or IT help needed. Receiver, Multimedia Hub and Button pair automatically—just plug and play to start presenting instantly.

Direct Touch Control on Display

Control content right from the interactive display—no interruptions, just smooth and natural interaction.

**MacOS Touchback: Available in Q1 2026.
