

# InstaShow® Wireless Presentation System

Tap and present in seconds, ensuring a drama-free, seamless, and secure flow for every presentation

**Plug-and-play:** No apps, drivers, or network setup required. Even guests can present instantly with just a single tap.

**Lag-Free 4K Transmission:** Supports 4K, HDCP, and Touchback control to deliver professional and interactive presentations.

**Switchable Connection Plugs:** Easily switch between USB Type-C and HDMI connectivity. WDC25 and VS25 feature Interface Switchable Plus for tool-free, seamless use.

**Superior Data Security:** WPA3 encryption and CVSS 4.0 certification – without software or internet requirements – ensure secure data transfer with no risk of leaks.

**Comprehensive Lineup:** Versatile solutions to meet diverse meeting needs: from huddle spaces (WDC15) and BYOD multi-device meetings (WDC25) to BYOM hybrid meetings on your preferred video conferencing system (VS25).
